

How to use the lecture notes „vk-online“

Unfortunately, the lecture notes ("vk-online") are only available in German following this link:

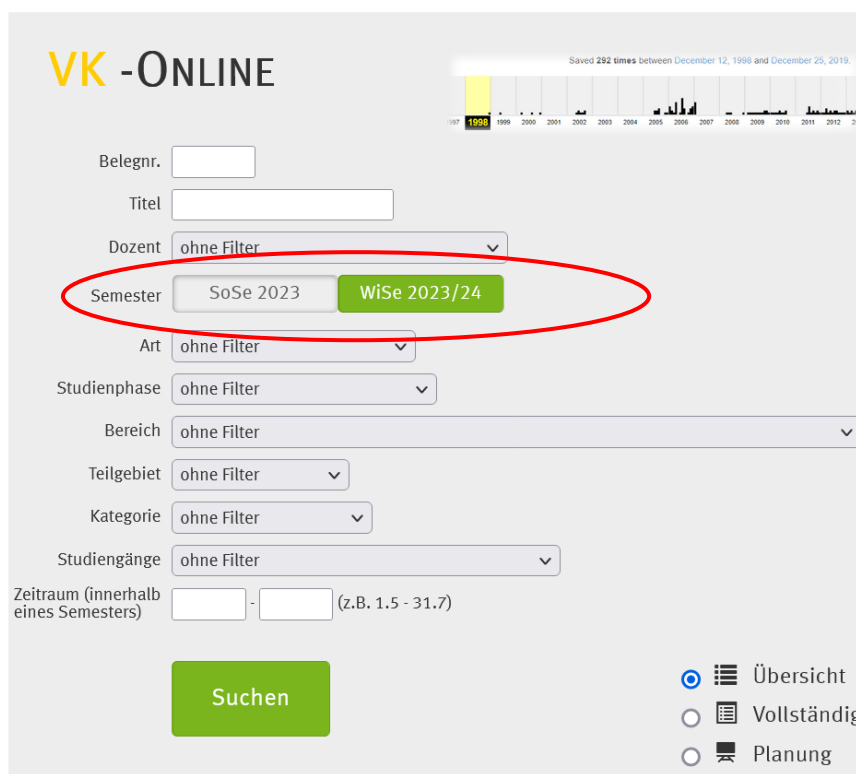

<https://vkonline.jura.uni-muenster.de/>

Selecting the correct semester

It works in such a way that you first have to select the correct semester. The abbreviation "SoSe" stands for the summer semester and the abbreviation "WiSe" for the winter semester. The lecture notes for the next semester are always uploaded in the second half of the previous semester.

The screenshot shows the VK-ONLINE search interface. At the top left, it says "VK - ONLINE". To the right, there is a small bar chart with the text "Saved 292 times between December 12, 1998 and December 25, 2019." Below this, there are several search filters: "Belegnr.", "Titel", "Dozent" (dropdown menu), "Semester" (with two buttons: "SoSe 2023" and "WiSe 2023/24", the latter is highlighted with a red oval), "Art", "Studienphase", "Bereich", "Teilgebiet", "Kategorie", and "Studiengänge" (dropdown menu). At the bottom left, there is a "Suchen" button. At the bottom right, there are three radio buttons for "Übersicht" (selected), "Vollständig", and "Planung".

Now you have various options.

Information on a specific course

If you would like to have more detailed information on a course that you have found in the course list (see above), for example, then enter the title of the course in the line marked "Titel" and search for it. The course should appear on the next page and if you click on it, you can see more information on it, including the course time and place. This way you can also find out whether a course is offered at all. If the course is not displayed after searching for it, it is not offered. Please avoid typos, as the vk-online cannot correct it like Google or alike.

Finally, you can also see a list of all courses that are part of the Foreign Law Program (FFA) or a list of all law courses in other languages than German. To do this, select "Fachspezifische Fremdsprachenausbildung" or "Fremdsprachige rechtswissenschaftliche Veranstaltungen" from the drop-down menu where it says „Bereich“.

The screenshot shows the VK-ONLINE search interface. The 'Bereich' dropdown menu is open, displaying a list of focus areas.
